LAST week we announced that it would be our policy each week to put some standard article on the market at a very low figure. We certainly made good on the start by offering 15,000 heart pine pickets at 1 cent each, \$1.00 per hundred, or \$10.00 per thousand.

The people appreciated this opportunity; and our sales speak volumes for the advertising medium employed.

This week the special bargains we are offering are outside blinds at 65 per cent discount, and heart pine house blocks (1 to 3 ft.) at \$1.00 per hundred square feet. We have many other exceptional values also. Come and see us if you are in the market for anything carried by a live lumber yard. We want your business and we are going after it.
